270 – 20 AMP Camper Electric Services

See Parking Lot Security Personnel prior to hooking up any camper, (717) 231-6565

\$40 plus \$55 per electric (includes 4 parking spaces)

No water -- No dumping facilities

If camper requires more than four parking spaces, additional parking spaces can be purchased for \$15 per space per day. When the show permits, camping on Farm Show grounds will be available at a rate of \$95 for the first day and will include 4 parking spaces. Each additional day will be \$40. If your camper requires additional spaces, each additional space will be \$15 per day.

Electrical Conditions and Regulations:

1. All equipment, regardless of source of power, must comply with all national, state and local safety codes.
2. All electrical cords must be rated to operate the equipment that you are using. The cords should be at least 12/3 wire grounded type for 20 amp services and 10/3 grounded type for 30 amp services.
3. Reverse 15 amp (female) to 30 amp (male) plug adapters are NOT permitted. These adapters will be confiscated if they are found being used in our equipment.
4. Multiple circuits feeding a single unit are NOT permitted.
5. Unless specially authorized by the Complex' Electrical Department, no one other than Farm Show Staff shall make electrical connections.
6. All equipment must be properly tagged and wired with complete information as to type of current, wattage, voltage, phase cycle, horsepower, etc.
7. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
8. Farm Show staff will inspect electrical connections and if proper cords are not utilized, cords will be confiscated.
9. Charges will be assessed for any damage to the Complex property or equipment.
